

NACFB are the only Trade Body representing Brokers who help small businesses directly by accessing all types of funding. We provide a full range of finance products, both secured and unsecured for all businesses.

Finance is chosen from a range of commercial lenders and funders:

- High Street banks
- Leasing and asset funders
- The new banks
- Peer to peer funders
- Specialist lenders available to UK SME's
- International banks

Our commercial lending* is structured to each individual business and covers:

- Commercial mortgages (medium to long term) for usage or on a buy to let basis
- Leasing and asset finance (short to medium term) which can cover the purchasing of new equipment such as IT systems or vehicles
- Cashflow finance - helping you to run your business

NACFB are a non for profit organisation of 20 years and has an OFT recognised Code of Conduct for its members.
